A Message from Our Leadership

As we reflect on the financial year ending 31st March 2026, we are deeply proud of what our community, volunteers, and partners have achieved together. What began in 2019 as a grassroots mission to support older and disabled neighbours across West London has grown into a dynamic, multi-service charity tackling food insecurity, social isolation, and housing inequality.

This past year has been one of strategic expansion, resilience, and measurable impact. From keeping our community food pantries stocked every week to laying the groundwork for innovative youth housing and international outreach, every step we take is driven by dignity, compassion, and direct action.

Our Key Achievements in 2025–2026

1. Fighting Food Insecurity Across West London

- **Weekly Food & Pet Pantries:** Our "Forever" Food Pantries operated consistently across Brent, Hounslow, Isleworth, and Brentford—including our hubs at **6 Hillside (Stonebridge)** and **Craven Park**—ensuring vulnerable seniors, families, and pet owners have reliable access to fresh produce and daily essentials.
- **Doorstep Deliveries:** Using our **2023 Vauxhall Vivaro-e electric van**, our volunteer drivers maintained vital doorstep food parcel deliveries for housebound elderly and disabled residents.
- **Strengthened Supply Chains:** We maintained strong surplus collection partnerships with major supermarkets—including **Sainsbury's, Asda, Lidl, and M&S**—while preparing our operational transition to **FareShare** to expand our capacity even further.

2. Expanding Our Mission to Young Adults (Ages 18–30)

- **Updated Charitable Objects:** In January 2026, the Board of Trustees unanimously adopted an expansion of our governing mission to formally support disadvantaged young adults aged **18 to 30** alongside our core over-65 and disabled communities.
- **Modular Youth Housing Pilot:** Working alongside the **Greater London Authority (GLA)** and local boroughs, we progressed plans for our **Category 1 Volumetric Modular Housing Pilot**—designed to deliver genuinely affordable, sustainable homes and wraparound support for young adults facing homelessness.

3. Environmental Stewardship & Community Green Spaces

- **Protecting Our Eco-Garden Assets:** Following redevelopment notices at Bridge Park Annex, our team safely dismantled and secured our greenhouses, polytunnels, and raised beds in dry storage in Wembley, ready for installation at our permanent replacement community site.

- **Local Climate Action:** We continued to champion urban biodiversity and community gardening, showcasing our sustainability work alongside the London Borough of Brent and cultivating vibrant green spaces in Hanworth.

4. International Outreach & Academic Partnerships

- **Montserrat Expansion:** Following a Special Resolution passed in January 2026, the Trust initiated formal steps to extend our charitable work to the British Overseas Territory of **Montserrat**, focusing on youth empowerment, community resilience, and relief of hardship.
- **Student Placements:** Through our ongoing partnership with the **University of St Thomas**, we welcomed international student interns and volunteers who contributed valuable research, outreach, and project evaluation support.

Governance, Transparency & Accountability

We believe that public trust is earned through complete transparency and responsible stewardship of every pound donated or granted to us.

- **Our Board of Trustees:** The Trust is governed by an active, unpaid Board of Trustees—**Jennifer Gerald** (CEO & Trustee), **Eternity Moncrieffe** (Secretary & Trustee), and **Gina Mazière** (Administrator & Trustee)—supported by an extraordinary team of dedicated local volunteers.
- **Financial Integrity:** All restricted capital grants, including funds designated for our GLA Youth Housing initiative, are strictly ring-fenced in a dedicated project bank account with National Westminster Bank Plc, completely separate from day-to-day operational funds.
- **Funder Gratitude:** Our work this year was made possible by the generous support of **The Albert Hunt Trust**, **WG Edward Foundation**, local authority community grants, and the everyday generosity of our local donors and supporters.

Looking Ahead to 2026–2027

In the year ahead, we are focused on expanding winter indoor pantry access, launching our food supply partnership, progressing our modular housing pilot, and strengthening community ties both here in London and in Montserrat.

Get Involved: Whether you would like to volunteer, partner with us, or support our work with a donation, please visit us at **www.elderlyandcharitabletrustuk.com** to find out how you can make a difference.
